

# TRAVEL TO NEW CALEDONIA

COVID-19 ENTRY REQUIREMENTS ON 20/05/2022

## VACCINATED TRAVELLERS

12 YEARS AND OLDER WITH 2 DOSES (+ 1 BOOSTER DOSE OF MRNA VACCINE 9 MONTHS LATER)<sup>1</sup>

CHILDREN stay with their parents but are exempt from vaccination and testing.

## NON-VACCINATED TRAVELLERS

12 YEARS AND OLDER WITH OR WITHOUT MEDICAL CONTRAINDICATION

According to Australian standards, you need to apply for a travel exemption to leave Australia.

### UPON BOARDING

- Present proof of **complete vaccination scheme**<sup>1</sup>.
- Complete and sign an **attestation on honor**<sup>2</sup>.

→ Provide evidence of a **compelling reason**<sup>3</sup> to travel (personal, professional or health) that cannot be deferred.

- Present a **negative test** (RAT or RT-PCR respectively less than 48h and 72h).
- Complete and sign an **attestation on honor**<sup>2</sup>.

### DURING THE FLIGHT

→ **Surgical mask** is no longer mandatory on Aircalin flights to New Caledonia. However, it is still recommended to protect yourself and others. Check conditions if travelling with other airlines.

→ **Surgical mask** is no longer mandatory on Aircalin flights to New Caledonia. However, it is still recommended to protect yourself and others. Check conditions if travelling with other airlines.

### ON ARRIVAL

→ Take a **RAT or RT-PCR test 48h after their arrival** and keep the proof of the negative test result (available free of charge in pharmacies or screening centres upon presentation of the flight ticket).

→ Take a **RAT or RT-PCR test 48h after their arrival** and keep the proof of the negative test result (available free of charge in pharmacies or screening centres upon presentation of the flight ticket).

### DURING YOUR STAY

→ In case of **COVID-19 contamination**, isolate yourself for 5 days and then observe 7 days of strict barrier measures. There is no need to get tested again at the end of your isolation period. If you don't have any symptoms or if you only have mild symptoms, you can leave isolation after 48h.

→ For non-European Union citizens, **travel insurance is mandatory** to cover the cost of care on site.
